Dear potential sponsor:

On Saturday May 4<sup>th</sup>, 2019 Cottonwood Golf Course is hosting the 16<sup>th</sup> annual **SHOTS FOR KIDS** Charity Golf Event. Together with your generous donation, we are raising funds to aid in the cure for **Juvenile Diabetes**. Trent and Jacqui Kaese along with Cottonwood golf course, friends and family are driven by passion in this quest of finding a cure. Monies raised will be donated to specialists in finding a cure for Type 1 Diabetes. There have been many breakthroughs in the past 35 years, and we hope you will join us in supporting the ongoing fight to find a cure for Type 1 Juvenile Diabetes.

With our goal of a full field of 144 participants (36 teams), we are searching for 36 individual hole sponsors as well as gift donations. We realize times are tough and monies are tight but your donation will go a long way to help in the fight for a cure.
