

Transfer Beach Mobile Food Concession 2020

INFORMATION, GUIDELINES AND REGULATIONS

- 1. Program Overview:** The Chamber has entered into a contract with the Town of Ladysmith to offer a Mobile Food Vending Concession at Transfer Beach from June to September 2020. Two concession pads with electric and water connections will be available on a daily basis starting June 13 2020 and running through September 7, 2020. The Chamber invites prospective vendors to review this information package and to submit the attached Application package if interested in participating in this exciting opportunity.
- 2. Hours of Operation:** Recognizing that consistency of service is important to the success of the program, Vendors will be asked to provide Mobile Concession Services on their scheduled days minimally from 11 am to 7 pm. Hours may be extended at the vendor's discretion. **The Chamber**, in consultation with the Vendors, may reduce (or cancel) service for the day due to inclement weather.
- 3. Connections:** Each serviced pad has an electrical connection (15, 30 and 50 amp available) and water connection. Generators will not be allowed unless there is an interruption in the power supply. No sewage services are available and grey water must be removed with the Mobile Concession at end of day.
- 4. Fees:** A one-time, non-refundable, administrative fee will be charged to all successful applicants who wish to participate in the program. Vendors will be charged a rental fee of \$20/day to be paid on the first of the month for all scheduled time slots in said month. For example, if a Vendor is scheduled for 4 days in the month of July s/he will pay \$80 on July 1st. An additional \$5/day will be charged for electrical hookup. If adjustments are made during the month the fees will be adjusted accordingly in the subsequent month.
- 5. Cancellation:** If the Vendor is unable to attend on a scheduled day, they must contact the Chamber as soon as possible and with a minimum of 24 hours notice. If the Chamber is able to find a replacement vendor the rental fee will be refunded. If no replacement vendor can be found than the fee will not be refunded. On the rare occasion that the Mobile Food Concession is cancelled due to inclement weather, the Vendor will receive a full refund for that day.

The Town of Ladysmith has reserved the right to grant permission to organizations to use other areas in the park and to utilize their own food services for charitable or private purposes. The Chamber will be responsible for reaching out to these groups to determine how the Mobile Food Service program will interface with these organizations. Options include: (i) the Mobile Food Service program will provide the food service for the organization/group, (ii) the Mobile Food Service program will operate in conjunction with the organizations services, or (iii) the Mobile Food Service program will not operate during the organizations rental period. If a Vendors scheduled day is cancelled due to the Town of Ladysmith granting the use of the park to another organization the Vendor will receive a full refund.

6. **Placement:** Mobile Food Concessions will be placed in one of the two locations indicated on the map attached as Schedule A. Vendors should assist one another in locating an appropriate stall and getting in and out of stalls safely.
