LARRY INGRAM

JUNE 10, 1961 – DECEMBER 23, 2016

This year the Golf Classic is in memory of Larry Ingram with partial proceeds of the tournament going to Diabetes Canada in honour of Larry.

David Stalker Excavating Ltd. is our Memorial Sponsor.

David and Larry began their employer / employee / then friendship from the 1994 start of his employment through to 2016. Larry was an employee with David Stalker Excavating Ltd during 2 periods of his career, from the early company days of 1994 to 1996, and then returned in 2007 until his passing in 2016.

Larry was a very loyal, reliable, trustworthy, and dedicated hard working employee. He enjoyed outdoor recreational activities and sports during his spare time enjoying golfing, fishing, and cheering on the Vancouver Canucks. Larry was a local Ladysmith raised boy that enjoyed being part of this smaller knit community. He was the kind of guy that wouldn't say no to anyone (a friend or family or co-worker or public in distress) when a hand was needed.

He is sadly missed at David Stalker Excavating Ltd.
